

Welcome

Firstly, thank you for all the wonderful feedback following our first newsletter. We are really pleased you enjoyed reading about what our residents have been up to.

We have had another busy few weeks celebrating St Patrick's Day together, opening beautiful Mother's Day gifts with our female residents and enjoying being outdoors with our new garden furniture.

I am delighted to inform you that we will also be taking part in the Care Partner initiative. This role is taken up by a resident's loved one and is complementary to the care delivered by our staff.

This may not be suitable for everyone, please contact us for further information or to register your interest in participating.

Whilst all eligible residents have now received both Covid-19 vaccines, our hygiene and infection control measures remain stringent in the home to ensure we all remain safe throughout these difficult times.

Should you have any queries about the current situation please do not hesitate to get in touch.

St Patrick's Day Celebrations

What celebrations we had to mark St Patrick's Day!

After a busy day potting clover, dancing and painting St. Patrick's Day themed pictures, our residents enjoyed well-deserved bowls of hot stew or sausages and champ, and of course a cold Guinness!

Interactive Projection Fun

We recently invested in a Magic Table to help our residents relax, reminisce and engage.

The mobile equipment has gone down a storm with residents using it to catch fish, play the piano, brush leaves and visit familiar places!

Charlotte McClements

Spring has sprung and we were all thrilled to relax in the heat of the sun on some of the warmer days in March. Our residents have also been making use of the new garden furniture and enjoying some fresh air.

Thank you St Comgall's

We loved opening our St. Patrick's Day poems, cards and pictures from the very kind, thoughtful children at St. Comgall's Primary School.

Happy Birthday!

In March we celebrated Ann's 80th birthday and Alan's 85th birthday!

Our birthday wishes also go to Lorraine, Joy and June.

April Activities

As well as our usual exercise and entertainment activities, the following has been planned for April.

We are always keen to coordinate our schedule around the needs and hobbies of our residents so please do let us know if there are any other activities you would like to be involved with.
