Christmas at Oakmont Lodge

Visits from Santa, enjoying the fabulous Victory Rollers, lunching at Bangor Yacht Club, and decking the halls with Christmas crafts – it was a jam packed December at Oakmont Lodge!

A wave of creativity hits Oakmont

The artistic flare was out in full force, this time with an underwater theme!

We know that our residents love using art as a means of therapy, relaxation and fun and so we continue to facilitate an array of art sessions to spark that creativity.

Linking Generations

The average age of Oakmont Lodge has significantly dropped lately as residents enjoy the company of an adorable group of fresh young faces.

As part of a pilot programme with Linking Generations, children from Red Brick Nursey School have made several visits to Oakmont, much to the delight of our residents.

This intergenerational programme aims to promote positive well-being, foster community connections and grow meaningful relationships and by the looks on everyone's faces, we think it's been a success so far!

The energy of the children has brought a breath of fresh air to Oakmont and we look forward to future activities with Red Brick Nursey.

Birthday celebrations

Happy birthday to Kenny, who recently marked his birthday with cake and celebrations. From everyone at Oakmont Lodge, we wish him many happy returns!

Life's a paw-ty!

It was smiles all round as a furry friend brought infectious joy to Oakmont.

Canine companionship took centre stage as our residents met Tia, the adorable Shih Tzu – barks, hugs, and wagging tails included!

Bingo bonanza

Oakmont residents were 'Up to Tricks' (46) during a spirited game of Bingo.

Between the competition and number dabbing, residents had a lot of laughs and with fan favourite sweets up for grabs, we had a few very happy winners!

Welcoming Oakmont's newest residents

A huge heartfelt Oakmont welcome to our newest residents Catherine and Jean. Here's to shared laughter, meaningful chats and happy times ahead!
